| General Smith:   |                         |  |  |  |
| a. Noted that Brig. General John Ackerman, Office of the Director of Intelligence, USAF, had shown him photographs of certain areas and stated our interested operational people should contact him. Mr. Amory reported that some of his subordinates had been in touch with representatives of A-3 on this same subject; however, there appeared to be a "war"going on between A-2 and A-3 over funds for continuation of the project set up to obtain these photographs. The Director noted that if such was the case Ackerman was, in | 25X1                    |  |  |  |

- a. Noted that the proposed Executive Order authorizing the medal discussed at yesterday's Deputies' Meeting was going forward to the Bureau of the Buiget for approval and coordination prior to presentation to the President for final approval. The Director stated we should push this along as fast as possible.
- b. Reported he would have the final draft on proposed changes to our legislation for the DCI's approval on 10 November.

## Mr. Wisner:

a. Referred to the discussion at yesterday's Deputies' Meeting concerning and asked the Director if he had an opportunity to discuss this matter with Under Secretary Bruce. The Director replied that he had not and now believed it might be best to delay discussion of this matter until after the return of Mr. Foster.
